Shawnee State Park Lodge Golf Course is a lush course near the banks of the beautiful Ohio River and a short drive from the Lodge.

This beautiful 18-hole championship course is easy to walk and appears tame, but don't be deceived. The par 72 layout sports plenty of water hazards over its 6,407-yard length. This attractive and demanding course was built in 1980 and was designed by Jack Kidwell and Mike Hurdzan.

The course's signature hole, the number 5, overlooks the river valley and has been consistently voted the "most scenic" hole in the tri-state area by several golf publications.

"The natural beauty of the region, coupled with distinct challenges at each hole, makes this course popular with locals and visitors," said Tyson Phillips, resident golf pro.

A fully stocked pro shop and snack bar is open from late February and will remain open every day until early November.
