EXPLORE SHAWNEE

Leave city life behind and roam the hills, valleys, lakes, and 63,000-acre Shawnee Forest at Shawnee Lodge and Conference Center. Explore the spacious Shawnee Lodge and Conference Center with attractions and amenities such as cooling off in the indoor or outdoor pool, boat, fish, or explore some of the 65 miles of hiking trails. Whether you choose to spend your stay relaxing or being adventurous our staff is here to assist.

Rich in history the 63,000 acres of Shawnee State Forest and Shawnee State Park encompass a part of the former hunting grounds of the Shawnee Indians. Historians note the Shawnee name means “those who have silver,” as the tribe conducted considerable trade in this precious metal. The hills of Shawnee have also been dubbed “Ohio’s Little Smokies.” From the highest points in the forest, ridge after ridge appears to roll away toward the horizon in a gentle blue haze.
